# Play audio and display lyrics

Lyric Speaker Box plays music and displays lyrics using each music playback app that supports AirPlay, Chromecast, and Spotify Connect.

## ① Play music with AirPlay2

- Click here for details on AirPlay 2

<https://support.apple.com/en-us/HT202809>

- Click here for the tutorial video. <https://manual.lyric-speaker.com/lbs/>

To control this AirPlay 2 - enabled speaker, iOS 11.4 or later is required.

## ② Play music with Chromecast built-in compatible apps

- Click here for the tutorial video. <https://manual.lyric-speaker.com/lbs/>

## ③ Play music with Spotify Connect

- Click here for the tutorial video. <https://manual.lyric-speaker.com/lbs/>

- The Spotify Software is subject to third party licenses found here:

<https://www.spotify.com/connect/third-party-licenses>.

- Use your phone, tablet or computer as a remote control for Spotify. Go to [spotify.com/connect](https://spotify.com/connect) to learn how

## Basic operation

- Press and hold the power button for 2 seconds. The speaker will turn off.
- With the power on, press and hold the power button for 10 seconds to reset the Wifi connection setting.
- The volume is adjusted on the smartphone side (the speaker does not have a volume switch).
- Software update  
This is done automatically at startup to keep the speaker up to date. It may take up to 15 minutes depending on your Wi-Fi connection environment. Do not turn off the power during the update.

# Web manual
